Gulf ATF Type A

Automatic Transmission and Power Steering

Fluid

Product Description

Gulf ATF Type A is an automatic transmission fluid developed for the automatic transmissions and power steering systems of vehicles specifying use of General Motors TYPE A SUFFIX A quality fluids. The highly refined base oils and proven performance additives used in this oil provide enhanced thermal stability, frictional characteristics and rust & corrosion protection. It exceeds the performance requirements of General Motors TYPE A SUFFIX A specification.

Features & Benefits

- Good oxidation and thermal stability reduces deposit formation
- · Provides good antiwear protection to critical parts
- Extremely high Viscosity index ensures adequate lubrication in both high operating & low starting temperatures
- Provides good protection against rust and corrosion
- Enhanced Low temperature fluidity assist in good cold start performance
- · Good foam control leads to smooth gear shifting
- Compatible with all common seal materials

Applications

- Recommended for automatic transmissions and power steering systems of vehicles requiring General Motors TYPE A SUFFIX A quality fluids
- Also recommended for certain manual transmissions and hydraulic systems where such type of fluids are specified

Specifications, Approvals & Typical Properties

| Meets the following Specifications | | |
|------------------------------------|-------------|----------------|
| General Motors TYPE A SUFFIX A | | |
| Typical Properties | | |
| Test Parameters | ASTM Method | Typical Values |
| Viscosity @ 100 °C, cSt | D 445 | 7.2 |
| Viscosity Index | D 2270 | 176 |
| Flash Point, ⁰C | D 92 | 174 |
| Pour Point, °C | D 97 | -39 |
| Brookfield Viscosity @ -40 °C , cP | D 2983 | 41950 |
| Density @ 15°C, Kg/l | D 1298 | 0.859 |

Properties mentioned are typical only and minor variations, which do not affect product performance, are expected to arise in normal manufacturing processes. Please follow equipment manufacturer's recommendations for performance level and viscosity grade. The Safety Data Sheet for this product is available from your nearest Gulf Distributor.
