

Gulf Formula RN17FE

Fully Synthetic Passenger Car Motor Oil

Product Description

Gulf Formula RN17FE 0W-20 is the most advanced fully synthetic, fuel economy passenger car motor oil formulated from synthetic base stocks and state-of-the-art additive technology to provide outstanding protection against wear even with low viscosity. This low friction engine oil is specially designed for use in Renaults passenger cars requiring latest RN17FE specification oils

Features & Benefits

- Specially developed formulation with improved frictional properties provides excellent fuel economy benefits and also protects emission control devices DPF and TWC.
- Excellent antiwear technology provides superior wear protection
- Specially developed formulation with outstanding thermo-oxidative stability decelerates oil degradation
- Outstanding low temperature fluidity aids quick cold start and provides wear protection at start-up

K265

Applications

- Suitable for use in Renault vehicles where the manufacturer recommends an oil meeting specification RN17FE, SAE 0W-20 grade

Note: These oils may be unsuitable for use in some engines requiring high viscosity grade oils and also not suitable for the vehicles requiring oil with RN 17, RN 0720, RN 0710 & RN 0700 specifications (consult owner manual/ handbook).

Specifications, Approvals & Typical Properties

Meets the following Specifications		0W-20
ACEA C5		X
Has the following Approvals		
Renault RN17FE		X
Typical Properties		
Test Parameters	ASTM Method	Typical Values
Viscosity @ 100 °C, cSt	D 445	8.2
Viscosity Index	D 2270	192
Flash Point, °C	D 92	227
Pour Point, °C	D 97	-48
Density @ 15°C, Kg/l	D 1298	0.854
Sulphated Ash, % wt	D 874	0.79
Sulfur, % wt	D 129 (ICP)	0.2
Phosphorus, % wt	D 4047 (ICP)	0.076

October 2020

Properties mentioned are typical only and minor variations, which do not affect product performance, are expected to arise in normal manufacturing processes. Please follow equipment manufacturer's recommendations for performance level and viscosity grade. The Safety Data Sheet for this product is available from your nearest Gulf Distributor. Please consult our local representative if any further information is required.

The information contained herein is believed to be correct at the time of publication and may be subject to modification from time to time. It is the user's responsibility to verify that this data sheet is current prior to using the product. No warranty expressed or implied is given concerning the accuracy of the information or the suitability of products. Gulf Oil International reserves the right to modify and change its products and specifications without prior notice.

This data sheet has been issued by us in English language only. In the event of any discrepancy between the English language version and any other language version, the English language version shall prevail.
