

# Gulf Pride 4T Special 4-Stroke Motorcycle Oil

## Product Description

**Gulf Pride 4T Special** is a 4-stroke motorcycle engine oil for high-speed air cooled 4-stroke motorcycles. It is blended from highly refined base oils and selected performance additives to provide optimum protection to engine, gearbox and wet clutch. It meets the requirements of API SJ and JASO MA2 for 4-stroke motorcycle oils and the requirements of leading global 4-stroke motorcycle manufacturers. It is available in viscometrics SAE 20W-50.

## Features & Benefits

- Improved thermo-oxidative stability minimizes deposits & sludge build-up.
- Quality detergents and dispersants help keep engine parts clean.
- Good antiwear properties protect engine and gear components for reduced maintenance costs.
- Controlled frictional properties helps minimise clutch slippage for smooth drivability.
- Effective rust and corrosion inhibition property ensures longer life of critical engine components.

## Applications

- Recommended for 4-stroke gasoline engines in motorcycles of all leading global manufacturers.
- Suitable for applications requiring API SJ and JASO MA2 or JASO MA type oils.
- Suitable for small 4-stroke gasoline engines used in portable generators, pumps, garden machinery and other applications where such type of oils are recommended.

## Specifications, Approvals & Typical Properties

Meets the following specifications		20W-50
API SJ		X
JASO MA2		X
Typical Properties		
Test Parameters	ASTM Method	Typical Values
Viscosity @ 100 °C, cSt	D 445	18.8
Viscosity Index	D 2270	132
Flash Point, °C	D 92	254
Pour Point, °C	D 97	-30
TBN, mg KOH/g	D 2896	5.0
Density @ 15°C, Kg/l	D 1298	0.878
Sulphated Ash, %wt	D 874	0.71

July 2024

Properties mentioned are typical only and minor variations, which do not affect product performance, are expected to arise in normal manufacturing processes. Please follow equipment manufacturer's recommendations for performance level and viscosity grade. The Safety Data Sheet for this product is available from your nearest Gulf Distributor. Please consult our local representative if any further information is required.

The information contained herein is believed to be correct at the time of publication and may be subject to modification from time to time. It is the user's responsibility to verify that this data sheet is current prior to using the product. No warranty expressed or implied is given concerning the accuracy of the information or the suitability of products. Gulf Oil International reserves the right to modify and change its products and specifications without prior notice.

This data sheet has been issued by us in English language only. In the event of any discrepancy between the English language version and any other language version, the English language version shall prevail.
