

Gulf Formula Euro

Fully Synthetic Passenger Car Motor Oil

Product Description

Gulf Formula Euro is a high performance fully synthetic passenger car motor oil for passenger cars, SUVs and other light-duty vehicles without exhaust after treatment devices. It provides superior overall engine protection, especially to those with high output, turbocharged/ supercharged, multi-valve fuel-injected engines. It also offers extended oil drain interval potential and meets or exceeds the requirements of the major global OEMs and industry standards.

Features & Benefits

- Superior antiwear technology provides exceptional wear protection under all operating conditions
- Outstanding thermo-oxidative stability facilitates extended drain intervals & engine life
- Active cleaning agents reduces piston deposits and sludge build-up
- Excellent low volatility characteristics reduce oil consumption & hydrocarbon pollution
- Improved low temperature fluidity aids cold start and protects against wear at start-up

Application

- Recommended for light-duty gasoline engines, diesel engines (without Diesel Particulate Filter) & gas engines in SUVs, light vans & trucks requiring ACEA A3/B4 or ACEA A3/B3 and/or API SP type of oils
- Also suitable for engines with multi-valves, turbo compressors, high cylinder capacity and direct injection diesel engines with/ without common rail operating on gasoline- ethanol & biodiesel blends
- Suitable for extended drain interval in city stop-and-go, heavy load and/or high-speed applications

Specifications, Approvals & Typical Properties

Meets the following Specifications/Suitable for Use		5W-40
ACEA A3/B4, MB 229.5		X
BMW LL-01, VW 502 00/505 00, Porsche A40		X
Renault 0710/0700, PSA B71 2296		X
Has the following Approvals		
API SP, API SN PLUS		X
Typical Properties		
Test Parameters	ASTM Method	Typical Values
Viscosity @ 100 °C, cSt	D 445	14.0
Viscosity Index	D 2270	173
Flash Point, °C	D 92	220
Pour Point, °C	D 97	-36
Density @ 15°C, Kg/l	D 1298	0.8520

Gulf Lubricants Inc., USA, August 2026

Properties mentioned are typical only and minor variations, which do not affect product performance, are expected to arise in normal manufacturing processes. Please follow equipment manufacturer's recommendations for performance level and viscosity grade. The Safety Data Sheet for this product is available from your nearest Gulf Distributor. Please consult our local representative if any further information is required.
